There are no departmental differences as the grade in the grade book must reflect the current coursework at any given point.

### **Extra Credit:**

Extra credit may only be given for work done that pertains directly to the curriculum.

Extra credit should not raise a semester grade by more than 4%.

Extra credit opportunities must be offered to the entire class.

Extra credit should not require the purchase of any materials.

### **Required Projects**

Some courses have required projects. A required project is defined as one of such importance that it must be completed if credit for the course is to be given. Failure to complete a required project will result in a semester grade of F.

### **LSW "OVERTIME" PROGRAM**

The "Overtime" homework detention program is designed to be a student intervention. Students who miss deadlines on given coursework may be assigned detentions with the intent of completing assignments. Students will be given advance notice and will have the opportunity to complete the assignment for partial credit without serving the detention. ## **SCHOOL PRIDE**

Every student knows the symbolism of their school colors and the school mascot. Students have heard from graduates and others that Lee's Summit West High School has pride.

What is school pride?

School pride is an intangible phenomenon that is felt, not seen or heard. It is that which makes a building into a school and a crowd into a student body. It is the common bond based on individual pride and mutual respect. It allows everyone to share in the touch down being scored, in the song being sung or in the lines being said. It is felt in the classrooms, in the halls, and in the neatness of and the respect paid to the school. It is what makes Lee's Summit West High School!

School pride is an outgrowth of participation. Lee's Summit students can develop school pride by supporting all programs of the school, by working activities, by doing a little more than the assigned work, by helping their fellow student, and by setting an example in the community for all to follow. Students get from school what they put into it. Pride is found only in one's heart. When each student has this feeling of pride — of supporting school activities and what the school stands for — Lee's Summit West High School will continue to be an outstanding school.

Everyone can look forward to establishing many new traditions at LSWHS. With each student's efforts and serious purpose, this will be an enjoyable and meaningful school year together.
